- Patients should note that **not** all documents need the signature of a doctor (e.g. passport application forms). The application form lists other people in positions of trust who are able to sign such documents **free of charge**.
- Bus Pass and Blue Badge forms do **not** need to be completed by a doctor. Patients can complete and submit the forms themselves - only if the application was refused might the patient want to ask the doctor to provide additional information to support their application.
- Patients are advised that any documentation to be completed by a doctor may, in general, take several working days (dependent upon the

availability of the doctor concerned and any factors such as annual leave, sickness, etc.). Please allow plenty of time for forms, letters, etc. NHS work will always take precedence.

- Our list of fees will be reviewed and updated annually.
- There are some other non-NHS services that will require payment. If you require a service not detailed on this statement, please enquire at Reception. All non-NHS work is completed at the GP's discretion and can be refused.
